

APRA Licence Application

Complimentary Licence

As a result of the findings from the inquiry into copyright, music and small business by the House of Representatives Standing Committees' on Legal and Constitutional Affairs, APRA has implemented a policy which grants a Complimentary Licence to small businesses which fulfill all of the following three specific conditions:

- the means of performance is by the use of a radio or television set (one apparatus only); and
- the business employs fewer than 20 people; and
- the music is not intended to be heard by customers of the business or by the general public. Neither the radio or television set (nor any speakers) are located in an area that is accessible to customers or the general public

If your music use meets the above criteria, please complete the application form below. If your use of music falls outside of the complimentary licence criteria, please contact APRA to obtain the appropriate licence for your business.

Please note: APRA reserves the right to verify the accuracy of any claim to a complimentary licence.
